## Rally Marshals Column.

Want to help on a motor rally ?? Easy ! Anyone can become involved, and without prior training, but the MSA does provide local-ish training for those who wish to become more proficient in the sport. Motor sport will not continue without the help and support of ordinary club members throughout the country, who have the time and interest to personally assist in running motor sport in the UK. If you would like to be involved, all you have to do is drop me an email, and I will take you through it.  
tedandpat@tedandpat2.plus.com

Any further info on any of the following events can be obtained from either me, the rally web site, or the stage commander requesting the assistance. The following may not be in date order. If anyone needs any further info, please email me at **tedandpat@tedandpat2.plus.com** or ring 07778 241170.
