Rally Marshals Column

Want to help on a motor rally ?? Easy ! Anyone can become involved, and without prior training, but the MSA does provide local-ish training for those who wish to become more proficient in the sport. Motor sport will not continue without the help and support of ordinary club members throughout the country, who have the time and interest to personally assist in running motor sport in the UK. If you would like to be involved, all you have to do is drop me an email, and I will take you through it.

tedandpat@tedandpat2.plus.com

Any further info on any of the following events can be obtained from either me, the rally web site, or the stage commander requesting the assistance. The following may not be in date order. If anyone needs any further info, please email me **at tedandpat@tedandpat2.plus.com** or ring 07778 241170.

New Motorsport UK RS Clubman licence from 2020

For 2020 Motorsport UK is introducing the requirement for all competitors to hold a new RS Clubman licence as a minimum, which will be free of charge. If you compete, but don't currently hold a licence you will need to apply for this. These changes will affect Autotests, Trials, Cross Country, Road Rallying, 12 Cars and Scatters.

Passengers will also now be required to hold an RS Clubman licence.

The RS Clubman licence can be applied for online from 18 November and aims to encourage more grass roots participation, as well ensuring all Motorsport UK event competitors are covered by comprehensive insurance. Additionally, licence holders will have access to Motorsport UK's Member Benefits Programme that includes the new upgraded personal accident cover.
