Club member Andy Dickinson sent in the following piece, thank you Andy for a well written piece.

After a couple of years away it was back to Sunny Brands hatch for the Mini Festival on 6th and 7th of August.

I race within the Mini 7 racing club in the Mini Libre class which is fairly unlimited modifications based around the Mini Miglia class.

Having qualified 4th (out of 9) in class I was fairly pleased to be in the top 50%!

Race 1 I got ahead and up into 3rd place for a few laps, and while pushing hard saw an opening for 2nd place, so a plan was made to keep tight into paddock hill bend and try down the inside of a more powerful car.

Said car's engine cut power mid corner due to a crank sensor failure and causing me to unfortunately tag him mid at the worst possible part of the circuit!!

Unfortunately that burst my radiator and forced me to retire before any further damage.

Quick radiator swap and a check over for race 2 and it was ready to go again. This time starting a bit further back on the grid due to the dnf.

A very messy first corner incident with Mini Miglias punted in all directions causing a red flag. Luckily I missed it all and was up for the restart.

Bit better start this time and got up to 3rd again, more incidents causing the safety car to come out.

When his lights went out I kept with 2nd in class but couldn't get close enough In time to try pass!!! Just 1 more lap!

Finished Race 2 in 3rd place!

Also fastest Libre lap in race 1 pre incident so really pleased with how the

weekend went!

Motorsport Questionnaire

There is one week left to complete the Motorsport UK Member Survey! Your feedback is essential for Motorsport UK to provide improved support to the community and to help shape our plans for the future of the sport.

The survey is designed to capture the views of the community across the country on a huge range of topics, from customer service, technical support, help with regulations, safeguarding and communications, as well as our approach to equality, diversity and inclusion.

The survey will take approximately 20 minutes to complete and is anonymous. It closes next week, at midnight on 16th September 2022.

Rally Marshals Column

Want to help on a motor rally ?? Easy ! Anyone can become involved, and without prior training, but the MSA does provide local-ish training for those who wish to become more proficient in the sport. Motor sport will not continue without the help and support of ordinary club members throughout the country, who have the time and interest to personally assist in running motor sport in the UK. If you would like to be involved, all you have to do is drop me an email, and I will take you through it.
